

Spanish enrichment offered at JCC Benderson Campus!

Capture the opportunity in your child's development!

- Research studies have indicated the benefits of introducing foreign language skills at an early age!
- Students at a young age absorb a foreign vocabulary as if they were learning new words in English. There is no translation factor - only absorption!
- Younger students have flexibility with their tongues enabling them to pronounce foreign words with proper enunciation and accentuation!

This session is a continuation of Levels 1 & 2. The lesson plans build from the material learned in the previous sessions. New and more challenging vocabulary is introduced and the children begin compounding the vocabulary to form sentences in Spanish. The program is fun and very interactive for the students. Classes incorporate singing and dancing as in the previous levels! **The last class is a "fiesta" highlighted with a piñata the class breaks open!**

Enroll your child for this amazing educational experience!

- The program consists of $\frac{1}{2}$ hour group lessons once a week for 8 consecutive weeks.
- Spanish classes meet at the Benderson Campus on Thursdays from 12:45p.m. -1:15p.m. (Students are escorted to and from Spanish from their preschool classroom).
