AFTER SCHOOL SPANISH ENRICHMENT CONTINUES AT
WEST BUFFALO CHARTER!

Capture the opportunity in your child's development!

- Research studies have indicated the benefits of introducing foreign language skills at an early age!
- Students at a young age absorb a foreign vocabulary as if they were learning new words in English. There is no translation factor - only absorption!
- Younger students have flexibility with their tongues enabling them to pronounce foreign words with proper enunciation and accentuation!

SPANISH FOR THE ELEMENTARY YEARS is an educationally oriented, fun and interactive program designed specifically for the K - 5 elementary student. The unique six-week curriculum features foundation vocabulary introduced through games, singing and hands-on activities. The program uses a 5-year rotation of lesson plans!

CultureKids focuses on teaching a foundation vocabulary base. Vocabulary repetition is vital to the learning process! Words are introduced weekly in a multisensory approach with games and song to engrain the vocabulary into memory. Students at an elementary level build familiarity and confidence with this vocabulary. Each week students are given a take-home sheet to continue reinforcing the vocabulary and share with their family. Similar to learning English, students develop a base vocabulary and then begin compounding words to eventually form simple sentences. **New students and returning students can join!** **New vocabulary is introduced in each session!** Each session builds and reinforces the student's foundation vocabulary base.

Enroll your child for this amazing educational experience!
