

# Spanish enrichment continues at St. John's!

## Capture the opportunity in your child's development!

SPANISH FOR THE ELEMENTARY YEARS is an educationally oriented fun and interactive program designed specifically for the K-4 elementary student. The unique six-week curriculum features foundation vocabulary introduced through games, singing and hands-on activities. Students are able to compound words and begin forming simple sentences. Classes are never a repeat! New vocabulary and activities are introduced with each session allowing returning students to continue expanding their vocabulary base and new students to begin building their vocabulary base. Our program uses a 5-year cycle of lesson plans. **New and returning students can register for any 6-week session.** Research studies have indicated the benefits of introducing foreign language skills at an early age! Join the fun!
