Spanish enrichment offered at Roots of the Future!

Capture the opportunity in your child's development!

- Research studies have indicated the benefits of introducing foreign language skills at an early age!
- Students at a young age absorb a foreign vocabulary as if they were learning new words in English. There is no translation factor - only absorption!
- Younger students have flexibility with their tongues enabling them to pronounce foreign words with proper enunciation and accentuation!

This session is a continuation of Level 1. Many of the lesson plans build from the material learned in the previous session. New and more challenging vocabulary is introduced. The program is fun and very interactive for the students; it incorporates singing and dancing as in Level 1! Level 1 gave the students a solid foundation and Level 2 is the stepping-stone from that, increasing the child's knowledge base and capturing the "window of opportunity" within their development. **New students are welcome to join and will be brought up to speed with the level 1 material!**

Enroll your child for this amazing educational experience!

- The program consists of $\frac{1}{2}$ hour group lessons once a week for 8 consecutive weeks.
- Spanish classes meet at Roots of the Future on Wednesdays from 11:45a.m. - 12:15p.m. (Students are brought to Spanish directly from their preschool class).
- **Winter classes meet** 1/9, 1/16, 1/23, 1/30, 2/6, 2/13, 2/27 & 3/6 (no class 2/20).
- Class fee is \$78. Class size is limited! Register early-classes fill quickly!
