

ELEMENTARY SPANISH ENRICHMENT NOW OFFERED!

Capture the opportunity in your child's development!

- Research studies have indicated the benefits of introducing foreign language skills at an early age!
- Students at a young age absorb a foreign vocabulary as if they were learning new words in English. There is no translation factor - only absorption!
- Younger students have flexibility with their tongues enabling them to pronounce foreign words with proper enunciation and accentuation!

SPANISH FOR THE ELEMENTARY YEARS is an educationally oriented fun and interactive program designed specifically for the **K-4th grade elementary student**. The unique six-week curriculum features foundation vocabulary introduced through games, singing and hands-on activities. Students are able to compound words and begin forming simple sentences. Classes are never a repeat! **New vocabulary and activities are introduced with each session!** Returning students can continue expanding their vocabulary base and new students can begin building their vocabulary base. Our program uses a 5-year rotation of lesson plans! **New and returning students welcome**. Research studies have indicated the benefits of introducing foreign language skills at an early age!
